Newspaper retracts assertion about lodge

The Times-Picayune has published a variety of stories in print and online since Jan. 6 about an ethics complaint against former Jefferson Parish President Aaron Broussard claiming that he owns a Nova Scotia vacation lodge that he rented to parish contractors. The newspaper retracts publication identifying Aaron Broussard as having an ownership interest in Trout Point Lodge, asserting Trout Point Lodge was rented to Jefferson Parish contractors, indicating that Roy D'Aquila has any part in Trout Point Lodge ownership or management, indicating that Kempt Wilderness Lodge Services has any ownership or management relationship with Trout Point Lodge, and identifying a photo of the lodge online as "Broussard-lodge.jpg." The Times-Picayune apologizes for publishing this material.
